Explanations	

In Board of Directors Meeting today; it has been decided that the following changes in Kordsa's senior management organization, aiming to ensure a strong focus on strategic priorities and enhance organization efficiency, will be effective as May 1, 2025.

İlker Çalışkan holding "Chief Digitalization and Integration Officer" and Boudewijn De Loose holding "Chief Business Development Officer" will be leaving Kordsa. Following these departures, Global Information Technology and Construction Business Unit will be reporting the Executive Chair of Kordsa and Compounding Business Unit will be reporting to Global Technology Officer.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
